**Context White Paper on Monsanto/Dow agreement announced Sept 14 and
Monsanto/DuPont agreement of Sept 12**

WEST DES MOINES, Iowa – September 27, 2007 – Context partners, associates and experts have prepared a 15-page white paper on the facts and implications of the announcement on Sept 14 between Monsanto and Dow and the Monsanto/DuPont agreement of Sept 12.

There are far reaching implications of these agreements for many players in the industry and for the future of value capture and commercialization of biotechnology traits and seed products. Context has prepared a document that lays out all of the public information surrounding these agreements as well as analysis of implications of the agreements.

This white paper can be downloaded upon subscription.

The implications of these agreements are significant for all players in the industry. This report will be of interest to: Seed Companies, Biotech boutiques, Venture Capital and Private Equity firms, Stock & Industry analysts; Crop Input Distributors and Retail Networks.
